1.2 Components

This *By-law* consists of all textual components and schedules contained herein. **Appendix I – metric conversions** is not considered part of this document.

1.3 Application

The provisions of this By-law shall apply to all lands including *islands* within the boundaries of the Corporation of the Township of The Archipelago (herein after referred to as ‘*the Township*’).

Where a Zone on the Schedules abuts a *waterway*, such Zone shall be deemed to extend into the *waterway* and to apply to any *waterlots*, Crown lake bed or any land created by changing lake levels, land fill operations or by any other means, and to extend over all *docks*, *boathouses* and *boatports*, breakwalls, groins, seawalls, cribs, anchorages and *boats* or vessels where they are affixed to the ground. No *building* or *structure* shall be erected, altered or used, and the use of any *building*, *structure* or *lot* shall not be changed in whole or in part except in conformity with the provisions of this By-law.

The provisions of this By-law may not apply to Crown Land. However, this By-law reflects the established planning policies of the Township of the Archipelago and it is intended that the Crown shall have regard for the provisions of this *By-law*.

1.4 Scope

No lands shall be used and no *buildings* or *structures* shall be erected, *altered*, enlarged and no changes may be made to the use of any *buildings* or *structures* or lands within the Corporation of the Township of The Archipelago except in conformity with the provisions of this *By-law*. Uses not listed as permitted or otherwise provided for in this By-law shall be prohibited.

In the event of an inconsistency or conflict between two or more provisions in this *By-law*, the more restrictive provision shall prevail.

From the date of the coming into force of this By-law, all previous By-laws passed under Section 34 of the Planning Act, R.S.O. 1990 c.P. 13 (hereinafter referred to as the *Planning Act*), or predecessor thereof, shall be deemed to have been repealed, with the exception of the following by-laws:

A1113-07 (Green)
A1116-07 (Eaton)

Notwithstanding the enactment of the Comprehensive Zoning By-law, the provisions of By-laws A1113-07, A1116-07, and A1117-07 shall prevail in respect to those specific by-laws.

1.6 Validity

Every provision of this *By-law* is declared to be severable from the remainder of this *By-law* and, if any provision of this *By-law* shall be declared invalid by a court of competent jurisdiction, such declaration shall not affect the validity, effectiveness, or enforceability of the remainder thereof.

1.7 Effective Date

This *By-law* shall come into force and take effect on the day it is passed by Council subject to any approval necessary pursuant to *the Planning Act*, R.S.O. 1990, c.P. 13 as amended from time to time.

 - i) On a first conviction to a fine of not more than \$25,000.00; and

Other requirements pertaining to the above applications are as follows:

- g) The application shall be accompanied by a statement by the owner or his duly authorized agent specifying the use to which the lands are intended or the *use* to which the *buildings* or *structures* to be *erected, altered* or enlarged are intended to determine if such use conforms to the requirements of this *By-law*.
- h) The *lot* and the location of every *building* or *structure* to be *erected* thereon is to be staked out on the grounds before construction is commenced.
- i) The lack of a survey, or a mistake or an error or omission by any *person* required to comply with the provisions of this *By-law* does not relieve that *person* from liability for failure to comply with the provisions of this *By-law*.
- j) *The Township* may require that any plans accompanying an application be prepared by an Ontario Land Surveyor, Professional Engineer, or Architect where, in their opinion, such plans are necessary to determine the exact extent to which a variance or amendment is required.

2.5 Relationship with Other By-laws

Nothing in this *By-law* shall operate to relieve any *person* from the requirements of the *Building Code* or any *By-law* or requirements of *the Township* in force from time to time, or the obligation to obtain any license, permit, authority, or approval required under any *By-law* or law of *the Township* or other government authority. Any *use* established in violation of a predecessor of this *By-law* will be deemed to have been established unlawfully.
