

**THE TOWNSHIP OF THE ARCHIPELAGO  
APPLICATION FOR A ZONING BY-LAW AMENDMENT**

**Information for Applicants**

The Township strongly encourages applicants to consult staff in the Township's Planning Department prior to the submission of an application. Staff information can be obtained from the Township's website at [www.thearchipelago.on.ca](http://www.thearchipelago.on.ca) or phone 705-746-4243 Ext. 304.

Applications will be considered by Council at a regularly scheduled, monthly meeting generally held on the third Friday of each month. A complete application must be submitted a minimum of four weeks prior to the Council meeting at which the application could first be considered. Due to the complexity of some applications, Planning staff require sufficient time to undertake a review of the application, conduct a site inspection, prepare a Planning report to Council and to fulfill the requirements of the Planning Act with respect to the giving of Notice of a Public Meeting.

Township staff may conduct a site inspection of your property. By submitting this application, you are authorizing the Township to access your property for the purpose of conducting a site inspection. Please note that staff may be unable to perform site inspections during the winter months on properties which are accessed by water or by seasonally maintained municipal or private roads. As such, consideration of the application by Council may be delayed until such time as safe access to the property can be obtained.

Council may authorize the circulation of a Notice of a Public Meeting for the purpose of providing information, or it may refuse to further consider the application. If Council authorizes that a public meeting be held, Notice will be circulated at least 20 days prior to the Public Meeting, to all properties within 1,000 metres of the subject property, and in compliance with the notice requirements of the Planning Act.

In compliance with Provincial legislation and planning practices, some studies may be required of the subject property to ensure the protection of the environment, protection of health and safety for residents or to determine mitigation measures prior to or as a condition of the request.

**Completion of the Application**

All applicable information requested on the application form and the required application fee must be provided before the application will be considered complete and can be scheduled to be considered by Council. The Township will return the application or refuse to further consider the application until the required information has been provided. In the absence of this information, the application may be deemed to be incomplete and it may not be possible to do a complete review within the legislated time frame for making a decision. As a result, the application may be refused.

**Submission of the Application**

- Every application should be directed to the Township's Planner and must include:
- the completed application form;
- if the owner or applicant/agent is a corporation, the application must be signed by an officer of the corporation and the corporation's seal (if any) must be affixed;
- a cheque made payable to "*The Township of The Archipelago*" in the amount of \$1,200.00 as payment of the required application fee;
- a building permit or certificate of approval for the existing septic system on the property, if applicable (Section 7);
- a location plan and a site plan (Section 9);
- an Affidavit / Sworn Declaration before a Commissioner or other person empowered to take affidavits (Section 11);
- Authorization of the Owner(s) for an Agent to act on his/her behalf, if applicable (Section 12);
- Consent of the Owner(s) with respect to Personal Information (Section 13).

Additional information, including architectural drawings and elevations, shall be furnished by the applicant at the request of the Township.
